A few words from the President.....

Welcome to the 2010 Flower Show Website/ Schedule.

As I write this in March memories of last year's successful event keep us buoyed up as Spring seems yet to appear – snowdrops, normally finished by the end of February are still putting on a great display and not a daffodil is in flower although I caught a glimpse of blue of the pulmonaria flowering in one of the corners. Many potted plants have fallen victim to the prolonged deep frost as had some geraniums I had put into the garage for safety – I hate to think what state the dahlia tubers are in. Never mind, it might have warmed up just enough to plant out the first of the broad beans that I raised in the conservatory.

A quick look at the flower and vegetable classes will not show major changes even though entries were few in a number of classes – probably due to the dull summer and spasmodic rainfall. My marrows and squashes were hopeless last year but somebody managed a good specimen or two. My sweet corn did well but my sweet peas decided to call it a day just after I had put in my entries and the dahlias stopped flowering because of the cold week before the show. I was sorely tempted to fill my vases with the glorious blooms I could see in some of the other gardens in town. Each garden has its own microclimate so it could be that on the day you will have the best thing in a class and win a prize, or even a cup. Do enter it can be great fun and having entries gives an indefinable increase in enjoyment to the show. You will be made welcome, I don't mind being beaten by new entrants, (as long as their stuff is better than mine) and, I think I can speak for everybody entering, we welcome competition – It's sometimes more satisfying to be 2nd out of 4 rather than 1st out of one. Of course if you are really serious about winning a trophy then numbers of entries count.

Perhaps when the electronic recording we are now using has been running for a couple of years we will be able to award a "Competitor's" cup for those of you who only enter a couple of classes, not enough for a cup, but have supported us over the years.

Last year we missed the WI tent – perhaps with new life coming into the movement we will see you back again but in the interim enter please the main classes, like the TG; there are WI cups and shields just waiting to be won.

The Denbigh Historical Society heard an account of the first years of The Denbigh Show. The first shows were held in the County Hall, the schedule was a flimsy, (it was war time) of 4 pages with about 50 classes – prize money was 3/-, 2/- and 1/- (15p, 10p and 5p) and there were 3 children's classes. The show was followed by a dance in the hall. By 1950 classes, including farmers, honey &c, and total prize money had increased dramatically and the show was established as the premiere one day show in North Wales, a position it has maintained thanks to hard work by the officers, committee and volunteers. Please remember

it is YOUR show, without entries there would be NO show. If you have anything to offer in the way of ideas or help please let the secretary know.

Dr Timothy B Webb
President

And a few from the Secretary.....

Once again, there are very few changes that you will notice in this year's Schedule you will be happy to learn! We are also pleased with the increasing efficiency that computerisation has brought and the fact that we have been able to extend the closing date to the Tuesday before the Show, giving you more time to decide whether you will have that perfect specimen to exhibit. Please ensure that you keep your end of the bargain by having your exhibitors details to hand, that we will send you a couple of days before the Show.

Last year we relaunched our website at www.thedenbighshow.co.uk and we were very pleased with the response. The whole site development is still going to take some time but we are getting there! Please tell your friends – they can download a copy of this schedule, as well as get entry forms for any of the other sections.

We hope that you enjoy the Show day once again this year and we are busily working in the background to ensure that there is a full day of entertainment to complement the wonderful exhibits in the Grand Marquee making the day one of the best value for money family events around. Please give us feedback on anything that you enjoy or don't – we do listen! This year we are welcoming back the Pony Club's 'Musical Ride' which was very popular two years ago. We are striving to keep things fresh for your enjoyment, just the weather to book now!

Stephen Williams
Hon Secretary.

Changes in rules and procedures to be aware of.

Vegetable Section

There are no new rules this year, however, two years ago the Committee decided to merge the former open and amateur vegetable sections together, in recognition of the exceptional standard of entries in the amateur classes over the past few years and the fact that there are few 'professional' growers who enter. This will continue this year. Vegetable exhibitors are asked to declare on the entry form their amateur status so that their points may be considered for the amateur trophies. The Novice Vegetable Section introduced last year has an extra three classes this year

Cups & Trophies

Winners of cups and trophies at the 2009 show will be contacted at the beginning of July and should follow the instructions given. Do not return the cups/trophies to the Secretary.

Exhibitors passes

Once again all exhibitors will be sent passes in the week before the show, to try and cut down on the number of people presenting themselves at the gate purporting to be exhibitors. **You will need you pass to be able to collect your exhibitors cards**

Vehicles on field on Show day

If the size or quantity of your entries warrants a car pass you will automatically be sent one. If you have no car pass, then you should park in the main car park. This is to comply with Health & Safety regulations. All cars **MUST** be removed from site by 1035 am. You are encouraged to bring your entries on Friday if you need to bring your car on the field.

Exhibitors Number

Your exhibitor's number appears on your pass and it will be necessary to have this available at the Secretary's Office when collecting your cards.

Entries on the day

The deadline for entries is midday on Tuesday 24th August. This is now the absolute latest that entries will be accepted and it will no longer be possible to accept 'late entries' as this will disrupt the smooth running of the Show.

Comments Book/Website Guest book

There is a comments book available for you to make suggestions or comments, good or bad. This will be at the Information Desk at the Secretary's office next to the main entrance.

Size of Exhibit

Although maximum permitted sizes are given on many classes, on certain classes we are requesting that you inform us of the approximate size of the exhibit, to assist with marking and to help avoid congestion. The classes concerned are 53 to 57, 164 to 170, 233,234 and 241

Multiple Entries

An exhibitor may enter more than one entry in any class and claim the prizes and points for all winning entries.
