A few words from the President.....

Last year's show was a great success despite the summer weather and the fact that we coincided with Southport. The crowds flocked in and enjoyed both the flower show and the other attractions. Free entry for the children was a great success in encouraging people to come and the weather was good right until going home time. This year the team has worked to provide an even more packed timetable of events to last the whole day.

This year has started with a warm February and, as I write this, a freezing cold March – just when I am trying to get seeds sown and things are opening up thinking spring has come. The winter freezing winds played havoc with even hardy plants. I expect many of you will be thinking the same – Will there be anything for the Denbigh Flower show or should I be learning to flower arrange, cook or paint or any of the other classes in the schedule?

Certainly the years seem less certain than they used to be with cold and dry spells in May and June. Will it be another wet summer – good for some things disaster for others.

As you see there are small changes in the horticultural sections. Last year there were few entries in many sections such as Dahlias and none in others. We still keep the classes there in case there is someone who has everything ready to go – hope springs eternal in the schedule committee's heart. This summer may be the one!

This of course means that it is always worth entering the show. You may be the only entrant in that class or there may be a crowd. You may win prizes, or even a cup to adorn the mantelpiece for the year.

I grow vegetables for the pot – you won't find leaks as thick as your arm or 4 foot long parsnips in my garden but looking down the rows at show time I sometimes find a set of matched beetroot, a pair of courgettes that have turned into marrows or some nice plums or apples, last year I had a fig for "any other fruit" (beaten into 2nd place by some delicious grapes). The frost has hit my rosemary and I have had to uproot the sage, I wonder if what I will have for the bunch of herbs class. My flowers are strictly to look nice in the garden or vase on the table but surprisingly frequently look good on the show bench (amateur classes). Walking round Denbigh I frequently see flowers to give mine a run for the money – try entering them – if you know someone with green fingers try and persuade them to have a go, get them a schedule or look on the web site.

I am afraid we are not quite in the same league as Southport and the other big shows in prize money but the competition can be as good. Taking part, even with a few or even one or two entries makes the show much more fun. As I wander around the tent I often hear the comment "I have better in my garden" this year try entering your produce let

everyone see, there is nothing more encouraging than neighbours and friends coming up and congratulating you on your entries – even when they come in third! Entry fees are pence, enter enough and there is a free entry to the show! You might even make a profit as well as having a great day out.

Dr Timothy B Webb
President

And a few from the Secretary.....

There are fewer changes to the competitions this year you may be glad to hear! The two big changes last year were the combining of the Amateur and Open Vegetable classes together with the introduction of the Novice Vegetable Class which worked really well and did encourage new exhibitors. We have added a couple of extra classes for the novice this year with an exhibit for a small collection of veg.

The other major change – which affected everyone- was the extending of the closing date for entries to midday of the Tuesday before the Show. This was brought about, mainly for the growers who have produce that they really don't know whether they will be ready for Show day! This new closing date will again be in place this year but, as before, this has to be an absolute deadline to allow for the planning of the Grand Marquee and all the administration.

We have been busy redeveloping our website so please log on at www.thedenbighshow.co.uk where you will find all the latest information about this year's Show, details of previous winners and even a copy of this schedule if you want to try to encourage friend to participate. There is also a facility to send your comments to us so that we can keep on improving!

Stephen Williams
Hon Secretary.

Changes in rules and procedures to be aware of.

Vegetable Section

There are no new rules this year, however, last year the Committee decided to merge the former open and amateur vegetable sections together, in recognition of the exceptional standard of entries in the amateur classes over the past few years and the fact that there are few 'professional' growers who enter. This will continue this year. Vegetable exhibitors are asked to declare on the entry form their amateur status so that their points may be considered for the amateur trophies. The Novice Vegetable Section introduced last year has an extra three classes this year

Cups & Trophies

Winners of cups and trophies at the 2008 show will be contacted at the beginning of July and should follow the instructions given. Do not return the cups/trophies to the Secretary.

Exhibitors passes

Once again all exhibitors will be sent passes in the week before the show, to try and cut down on the number of people presenting themselves at the gate purporting to be exhibitors. You will need your pass to be able to collect your exhibitors cards

Vehicles on field on Show day

If the size or quantity of your entries warrants a car pass you will automatically be sent one. If you have no car pass, then you should park in the main car park. This is to comply with Health & Safety regulations. All cars **MUST** be removed from site by 1035 am. You are encouraged to bring your entries on Friday if you need to bring your car on the field.

Exhibitors Number

Your exhibitor's number appears on your pass and it will be necessary to have this available at the Secretary's Office when collecting your cards.

Entries on the day

The deadline for entries is midday on Tuesday 25th August. This is now the absolute latest that entries will be accepted and it will no longer be possible to accept 'late entries' as this will disrupt the smooth running of the Show.

Comments Book/Website Guest book

There is a comments book available for you to make suggestions or comments, good or bad. This will be at the Information Desk at the Secretary's office next to the main entrance. Alternatively, the guest book is available for comment on the show website (www.thedenbighshow.co.uk) throughout the year.

Size of Exhibit

Although maximum permitted sizes are given on many classes, on certain classes we are requesting that you inform us of the approximate size of the exhibit, to assist with marking and to help avoid congestion. The classes concerned are 53 to 57, 164 to 170, 237 and 241.

Multiple Entries

An exhibitor may enter more than one entry in any class and claim the prizes and points for all winning entries.
