A few words from the President.....

Once again it is time to start preparing for the Denbigh Flower Show. In the horticultural section the classes have not changed much. Although we were very thin on entries in some sections last year – where were all the Dahlias? – This was not surprising given the winter weather which wiped out a lot of people's stocks and gloomy August that seemed to stop things in their tracks. On the other hand we had a bumper entry in the fruit sections. In my garden plums showed no sign of ripeness at show time but we had a mouth watering display from others. My sweet corn was really delicious – mid September oh, the best laid plans of mice and men! Each garden seems to have its own microclimate. It is well worth entering your produce – you might win and even if you don't you will be able to respond, to all those who claim "I have better in my garden" "Just prove it by entering next year!" If they do they will discover that feeling of belonging to the show that I discovered long ago. Unfortunately a couple of entries were "out of class"; try to use the notes in the schedule as a guide or please ask someone. I know I was guilty one year – my wonderful large Dahlia suddenly was over the day before the show so I put in a rather unready, too small, specimen to avoid a space on the bench in the hope that I would encourage others to enter their own flowers the following year.

You won't have to join the committee if you don't want to but every volunteer is appreciated whether helping with the committees, fund raising or on the field before and during the show. Once again, as I write this, we have lost one of our stalwart members, Bob Jones, vice chairman; we will miss his experience from over the years. We are fortunate in that we have some young faces on the committee including our indefatigable secretary Stephen Williams, without whom the show would not function.

Once again we are without a separate WI section but the cups are still there for WI members to compete for, like the Townswomen's Guild, collecting points in the general classes.

I hope that there is something for every one in the children's classes, some have been introduced following suggestions from entrants. We are always open for suggestions for new things. If you are not sure what the classes mean please contact me. We are introducing a class for a School Garden this year, so stir your teachers into entering if they haven't already.

If you have any potential entries not covered in the schedule please go in for the "Any other" classes at the bottom of the sections. From watching these over the years new classes have been introduced. If you have any ideas for classes please let the secretary know so we may consider them for 2012.

Dr Timothy B Webb
President

And a few from the Secretary.....

There are few changes that you will notice in this year's Schedule you will be happy to learn but there will be some changes in the main marquee this year. We are moving over to a new modular type tent rather than the traditional pole and canvas type which has been around since the Show started. Our supplier is no longer using the traditional type, hence the change but the benefits are that it will be a lot more secure, windproof and water tight. The format of the Show is going to change and we are doing everything we can in the planning stages.

One consequence is that I am putting back the closing date for entries for all sections except the Open and Amateur Flower Sections, to one week before the Show. There is a phenomenal amount of work to do once entries have closed to plan and mark the tent and I am receiving large entries right at the last minute for exhibits that don't rely on timing. However, I appreciate that a late entry date for growing flowers is advantageous so that has been maintained at midday on Tuesday as before. For mixed entries, I am always happy to add more entries to your form once submitted so please try to submit early and help to spread our workload.

Please ensure that you keep your exhibitor's details to hand, that we will send you a couple of days before the Show and read the letter that comes with them which will contain any updated information that you need.

In March, we lost another stalwart when Bob Jones suddenly passed away. Bob had been Vice Chairman for many years and worked very hard in every aspect of the Show from fundraising to planning and marking out all the exhibits, to the big day after clear up. His enthusiasm for the Show was unending and we will all miss him and his cheerfulness. In April we were again saddened by the passing of Mr Ron Beedles. Ron had been involved with the Show from the very early years and made an immense contribution as both an exhibitor and Committee member. What he didn't know about gardening wasn't worth knowing. Another larger than life character who will be sorely missed.

Full and up to date information is available online on our website at www.thedenbighshow.co.uk. You can now sign up to our online newsletter for regular updates. You can also learn how to make a contribution to become a Sponsor or Vice President or alternatively you can complete the form in the centre of this schedule. Please tell your friends – they can download a copy of this schedule, as well as get entry forms for any of the other sections.

Stephen Williams
Hon Secretary.

Changes in rules and procedures to be aware of.

Entries Deadlines

The deadline for entries is Saturday 20th August. There is a vast amount of work to do planning the layout and even adjusting the size of the marquee (which either saves or costs money) after the close of exhibits which is why it is not possible to accept late entries. There is an exception for the Open & Amateur Flower Sections where we hold back some space in reserve (estimated by the growing season we have had) where we can accept some late entries until Midday on Tuesday 23rd August, for those blooms that are not quite a certainty a whole week before the Show.

Vegetable Section

Vegetable exhibitors are asked to declare on the entry form their amateur status so that their points may be considered for the amateur trophies.

Cups & Trophies

Winners of cups and trophies at the 2010 show will be contacted at the beginning of July and should follow the instructions given. Do not return the cups/trophies to the Secretary.

Exhibitors passes

Once again all exhibitors will be sent passes in the week before the show, to try and cut down on the number of people presenting themselves at the gate purporting to be exhibitors. **You will need you pass to be able to collect your exhibitors cards**

Exhibitors Number

Your exhibitor's number appears on your pass and it will be necessary to have this available at the Secretary's Office when collecting your cards.

Vehicles on field on Show day

If the size or quantity of your entries warrants a car pass you will automatically be sent one. If you have no car pass, then you should park in the main car park. This is to comply with Health & Safety regulations. All cars MUST be removed from site by 1035 am. You are encouraged to bring your entries on Friday if you need to bring your car on the field.

Comments Book

There is a comments book available for you to make suggestions or comments, good or bad. This will be at the Information Desk at the Secretary's office next to the main entrance.

Size of Exhibit

Although maximum permitted sizes are given on many classes, on certain classes we are requesting that you inform us of the approximate size of the exhibit, to assist with marking and to help avoid congestion. The classes concerned are 53 to 57, 164 to 170, 233,234 and 241

Multiple Entries

An exhibitor may enter more than one entry in any class and claim the prizes and points for all winning entries.
