A few words from the President…….

Dear Gardener,

As I write this I look out on a slowly wakening garden, some things late and others well on time – nothing unusual. One of these years the weather will behave as it is supposed to and we will be all caught out again! I am sowing seeds for flowers and vegetables – will any be good enough to win at the Show? – I won some classes last year but felt that really if only some of the other gardeners around town had entered the flowers I see in their gardens I would have come second but we would have had an even better Show!

Of course I know that many of you are rather shy and unsure about entering so we have a “Novice’s” Section. Last year we included flowers but were rather disappointed that no one had entered. The classes are simple – no numbers or details – no worry is this a ball or a pompom dahlia? – just Dahlias. Please try! You never know where it will lead – Mike Smith tentatively tried one year, won the Novices cup, discovered that showing is fun and last year won a silver-gilt medal for a display at RHS Tatton Park and Gold at Southport!

Look carefully at the schedule. You will see that, apart from the novice classes there is just one class for vegetables – I am afraid the group of Denbigh gardeners who fiercely competed with the wonderful and monster vegetables has become rather thin with time and the number of big houses who employ professional gardeners has shrunk dramatically so all is open to all. In the flower classes on the other hand, there are still some enthusiasts still keen to pursue perfection at the highest level with many plants to give the widest choice and be able to mount a display such as won class 1 last year for them the “Open”, on the other hand, for my dahlias, with at the most a couple of plants of each variety, the “Amateur”. Having said that please look through both sections many classes only appear in one or the other; e.g. herbaceous flowers in the open and a cactus in the amateur. In the Open classes you might be asked for more, for example, you think that you will have six matched pansies or marigolds try the open, only 5, try the amateur (if 11 try both!)

Please do not forget the craft, art, photography and children’s classes. Last year’s standard of entries in the children’s classes once again stood out. Unfortunately entries by older children were fewer than I had hoped for – come on there is money to be won!

Once again I have the dedicated team to thank for the organisation and setting up of last year’s Show, if you would like to join us please let the Secretary know and he will give you the time of the next meeting. Another group are the Vice Presidents and Sponsors without whose vital support in money and equipment keeps the books in balance whatever the weather. Townsend Supplies very kindly donated a new trophy and prizes for class 1 – the big horticultural display won, in style, last year by Mr Neil Evans.

Talking of trophies - a look through our list of cups is like a ramble through Denbigh’s history. Our hard working Secretary is trying to compile a list with the details of who or what the cups and trophies are named for which will appear on the website in due course. This year we are replacing the Royal Mail shield with one in memory of Bob Roberts, retired postman, who led the Show for many years until his untimely passing last year.

Good luck for 2015

Dr Timothy B Webb
President

And a few from the Secretary…..

Another good Show last year but again blighted by the weather. I remember saying to someone mid-morning when they commented ‘such a shame about the weather’ and I replied ‘recon that shower will cost us a couple of grand’…..and it did! It was so sad to see after a tremendous amount of work during the week. All credit to Matt Jones, our Field Manager who as usual, delivered everything that was asked of him and there were some ambitious plans last year with bigger, more daring arena events for your enjoyment which inevitably meant more risk assessments, posts, ropes and fencing!

Inside the marquee last year, we made some radical changes too. Moved things around a bit, maximised on space and therefore helps with the over all costs and efficiency. No one raised any concerns so we will build on that for this year. Although these modern tents are fantastic in their design and to keep the weather out, they are the ‘wrong’ shape for our traditional format. But with last years changes, we were able to free up space to reintroduce a honey section and again, this year this will be expanded. This was also against a general rise in entries last year so that is very positive for the future.

At the time of writing this, we are also looking at the possibility of a small food hall, something that we can build on for the future and give an opportunity show off the best of what is available locally.

It is very sad that we lost another stalwart of the Show this year. (Nazareno) Franco had been a member of the Committee for many years and had been instrumental, along with the late Bob Roberts, in raising thousands of pounds to keep the Show going though darker financial times by running weekly whist drives. His presence and enthusiasm will be missed at the Show but he will always be fondly remembered.

My thanks to the Committee for their assistance and the many helpers and people who give their precious time to put on this great event. As ever, please spread the word. Encourage people to enter, encourage people to come. This way we protect the future of your Show – which is by no means weather-proof!

Full and up to date information is available online on our website at www.thendenbighshow.co.uk You can now follow our blog telling you of all the preparations and progress and can also follow us on Twitter @denbighshow and on Facebook at thedenbighshow

Look forward to seeing you all in the sunshine!

Changes in rules and procedures to be aware of:

**Minimum Entry Fee**

There is a minimum entry fee of £1.00. Please round up fees to £1 (or of course enter something else!)

**Entries Deadlines**

The deadline for entries is Saturday 22nd August. There is a vast amount of work to do planning the layout and even adjusting the size of the marquee (which either saves or costs money) after the close of exhibits which is why it is not possible to accept late entries. There is an exception for the Open & Amateur Flower Sections where we hold back some space in reserve (estimated by the growing season we have had) where we can accept some late entries until Midday on Tuesday 25th August, for those blooms that are not quite a certainty a whole week before the Show.

**Vegetable Section**

Vegetable exhibitors are asked to declare on the entry form their amateur status so that their points may be considered for the amateur trophies.

**Cups & Trophies**

Winners of cups and trophies at the 2014 show will be contacted at the beginning of July and should follow the instructions given. Do not return the cups/trophies to the Secretary.

**Exhibitors passes**

Once again all exhibitors will be sent passes in the week before the show, to try and cut down on the number of people presenting themselves at the gate purporting to be exhibitors. You will need your pass to be able to collect your exhibitors cards.

**Exhibitors Number**

Your exhibitor's number appears on your pass and it will be necessary to have this available at the Secretary's Office when collecting your cards.

**Vehicles on field on Show day**

If the size or quantity of your entries warrants a car pass you will automatically be sent one. If you have no car pass, then you should park in the main car park. This is to comply with Health & Safety regulations. All cars MUST be removed from site by 10.35 am. You are encouraged to bring your entries on Friday if you need to bring your car on the field.

**Comments Book**

There is a comments book available for you to make suggestions or comments, good or bad. This will be at the Information Desk at the Secretary’s office next to the main entrance.

**Size of Exhibit**

Although maximum permitted sizes are given on many classes, on certain classes we are requesting that you inform us of the approximate size of the exhibit, to assist with marking and to help avoid congestion. The classes concerned are 52 to 56, 164 to 170, 175, 233,241 and 242

**Children’s Classes**

There is one set of classes for children aged 7 -16, but they will be judged in two categories, Primary School 7-11 and Secondary School 11 and over. Therefore there will be two first, second and third prizes in each class. The higher age category will have yellow exhibitors cards to differentiate. Please ensure age and school is on the entry form.
