A few words from the President.....

The end of April already, and it's only now that I can really get down to sorting out the vegetable patch and planting out the sweet peas that I started in January. What will we have for the Show? (I am sure that I say that every year!) Each year we sit in the schedule committee hoping that we will get it right. No entries last year? Oh dear! Was it the weather? Was it that gardeners are shy or afraid of the competition? Each year we are happily surprised by the quality of the entries. Some new competitors came last year, I hope that they enjoyed the experience and will come again. No lettuces again! I am sure that there are enough salad growers in the Vale to have a great competition.

The gardening editor of *Country Life* remarked that gardens have not seen such resurgence for decades, not only the great houses but in yours and mine! Apparently the seed merchants haven't sold so many vegetable seeds for decades and nurseries and garden centres seem to prosper as we discover the taste of fresh food from the garden and all those different varieties that you can only get by growing your own.

Thank you everyone who's entries last year made the show. I am sorry that not every entry (including mine) could come first but very few people enter a marathon expecting to win, they do it for the fun and camaraderie. The same goes for our/your show. Stewards will be instructed to make a note of why the judges decide to award e.g. the unusual 3rd out of 1 so that in 2019 you will not make the same mistakes and, I hope, win 1st out of several!

Please read the schedule carefully. The "Open" and "Amateur" classes in flowers often differ in the number of blooms per entry and some classes only appear in one. There's nothing more annoying than being judged "Not as Schedule"! Don't forget the "Novices" classes open to anyone who has not won a cup!

My grandchildren captured some of the children's cups last year by entering lots of classes. They had great fun making the entries but would appreciate more competition this year! Where are all the year 2 school age entries? I hope that there is something for everyone in these classes. Going round the tent I hear nothing but praise and admiration for the children's work - all of it!

Once again the Floral Art had that "wow" factor but we need more younger people to join in. I know that some classes can be expensive in flowers, there is a grant towards the pedestal costs, but most can be achieved with material from the garden and hedgerows and just taking part is great fun.

Thank you to all of our Vice Presidents and Sponsors without whom our books would be seriously out of balance, I hope that you enjoyed the Show.

The Show only runs through the efforts of our volunteers on the committee and setting up and running the Show. Thank you all! If anyone would like to become involved don't be shy, contact Steve our secretary.

Dr Timothy B Webb, President

And a few from the Secretary.....

If you have not yet seen the *you tube* clip of the Denbigh Flower Show from 1986 then be sure to look it up. There is a link on our website's history page. Yes I am in there with the Committee and helpers of the day, most who have sadly departed, busily putting the Show together. I vividly remember the late Elwyn Davies shooting that video and grateful thanks to Alan Peters for finding this film and sharing it. It is quite surprising when you watch to see how much has changed but yet how much has stayed the same. The tents are a bit old fashioned and the cars arriving would now be more in place in the classic section, but look at the exhibits, the field, the shed, the trees and the mountains you could be in any decade. I don't think you can raise the standard of our exhibits, they've always been top notch

We didn't worry about risk assessments, food hygiene ratings, data protection, whether we could get a 4G signal on the field or if someone would arrive at the gate expecting to pay with a card. That's not to say in the modern world that these are important, it just part of the evolution of the show and outside of the competitions tent, we have certainly made some changes to rival some of the big county events. So for those who crave something different, I can say it is not the same, but for those who love the tradition I can equally say it is the same and I feel I am right on both counts

Having mentioned red tape, please remember that we are governed by the changes in Data protection rules so there are some actions you will need to take for us to keep in touch. Can you indicate on your entry that you are happy for us to contact you next year. If you don't, we will remind you at the Show but after that we'll sadly lose contact. If you are not coming this year – but I sincerely hope you are – drop me a line or email indicating that we can still send your schedule next year. If ever you miss out, remember everything is available to download from the web.

Thanks as ever to the Team, Anita, Ceri, Charlie, Dave, Rob, Tim, Tony, two Sandras and the whole Committee, their spouses and partners, friends and other helpers, always willing and able. How we put it together and then get it back in the shed in 6 days is still a magical mystery. Come and help, be part of our family, all will be welcome. As ever, please spread the word. Encourage people to enter, encourage people to come.

Full and up to date information is available online on our website at **www.thedenbighshow.co.uk** You can follow our blog telling you of all the preparations and progress and can also follow us on *Twitter* @denbighshow and on *Facebook* at **thedenbighshow**

Look forward to seeing you all in the sunshine!

- You will find an Entry Form in the centre of this schedule. Please complete your personal details.
- Select the class you wish to enter, and place the **class number** in the appropriate box along with the description as it appears in the schedule.
- Insert the entry fee amount in the far right column. The entry fee is determined by the first prize amount. See table on the back cover. **There is a minimum entry fee of £1.00**
- Total up all entry fees and enclose with your form. Cheques should be payable to **THE DENBIGH SHOW**.
- Send the entry form and fee to the Secretary by no later than Saturday 18th August (Open & Amateur Flower Sections **only** entries extended to Tuesday 21st August). Regrettably, late entries cannot be accepted.
- The procedure for entries in the **Children's Section (and Children's photography)** is the same except that there are no entry fees. All Children's prize money is paid out on Show day from 4pm for these sections. Children may enter in any of the other competitions but entry fees will apply for all other sections
- The name inserted on the entry form is how it will appear on class cards, winnings cheques and in the list of cup winners in next year's schedule.
- **You must indicate if you want us to contact you about next year's show by ticking the box on the entry form**
- If you run out of space on your entry form, you may continue on plain paper. Please keep to a similar format. (Entry forms are downloadable from the website).
- You will be sent an exhibitor's pass in the week prior to the Show. If appropriate, you will also be sent a vehicle pass to gain access to the field to off-load exhibits. Please ensure you have your pass with you.
- Your exhibitors' cards are available from the Secretary's office on the day before and on Show-day. You may prepare and stage your exhibit anytime from Friday lunchtime onwards and security will be available through Friday night. Remember, judging starts at 10.30am sharp!
- Prize money is paid out post Show by cheque (except Children's Section)

Multiple Entries

There is a column on the entry form to multiply entries should you wish to enter more than once in the same class. Leave blank if you just have one entry in the class

Entries Deadlines

The deadline for entries is Saturday 18th August. There is a vast amount of work to do planning the layout and even adjusting the size of the marquee (which either saves or costs money) after the close of exhibits which is why it is not possible to accept late entries. There is an exception for the Open & Amateur Flower Sections where we hold back some space in reserve (estimated by the

growing season we have had) where we can accept some late entries until Midday on Tuesday 21st August, for those blooms that are not quite a certainty a whole week before the Show.

Vegetable Section

Vegetable exhibitors are asked to declare on the entry form their amateur status so that their points may be considered for the amateur trophies.

Cups & Trophies

Winners of cups and trophies at the 2017 show will be contacted at the beginning of July and should follow the instructions given. Do not return the cups/trophies to the Secretary.

Exhibitors' passes

Once again all exhibitors will be sent passes in the week before the show, to try and cut down on the number of people presenting themselves at the gate purporting to be exhibitors. **You will need your pass to be able to collect your exhibitors cards**

Exhibitors Number

Your exhibitor's number appears on your pass and it will be necessary to have this available at the Secretary's Office when collecting your cards.

Vehicles on field on Show day

If the size or quantity of your entries warrants a car pass you will automatically be sent one. If you have no car pass, then you should park in the main car park. This is to comply with Health & Safety regulations. All cars **MUST** be removed from site by 10.35 am. You are encouraged to bring your entries on Friday if you need to bring your car on the field.

Comments Book

There is a comments book available for you to make suggestions or comments, good or bad. This will be at the Information Desk at the Secretary's office next to the main entrance.

Size of Exhibit

Although maximum permitted sizes are given on many classes, on certain classes we are requesting that you inform us of the approximate size of the exhibit, to assist with marking and to help avoid congestion. The classes concerned are 52 to 56, 164 to 170, 175, 233, 242 & 266.

Children's Classes

There is one set of classes for children aged 7 -16, but they will be judged in two categories, Primary School 7-11 and Secondary School 11 and over. Therefore there will be two first, second and third prizes in each class. The higher age category will have yellow exhibitors cards to differentiate. **Please ensure age and school is on the entry form.**
