A few words from the President.....

Welcome to the 2023 schedule. No great changes in horticultural classes, welcome return of some other classes and new headings for creative classes.

What you might notice is an increase in prize money, not that we have funds to make exhibitors rich, the real prize is those certificates to pin on the notice board, cups to polish or even "I saw your entry in the Flower show; I thought it brilliant; those judges need new spectacles!"

I remember the last time we increased prizes and realised that very few of that committee are still with us. My guess at the date was wildly out, it was 2006!

During the ensuing years the show has had its ups and downs but the dedicated band of workers has kept it on the road and I think, has managed to make it an indispensable feature of Denbigh's year, attracting visitors from a wide area. That team really needs younger people to help and ensure its survival as my generation find themselves forced to bow out. If you are new to the town don't be shy, it's a friendly committee and doesn't meet all that often.

I don't know about your gardens and allotments but in mine it seemed to be difficult last year, with cold, dry and hot spells, slowing growth, pulling flowering unseasonably early. Despite that there was a really good show. Some classes a bit thin, and some winners for the first time. Visitors to the show marquee were universal in their praise.

This year looks to be "interesting" again, starting with a frost that wiped out many plants that had overwintered well in previous years, a return to the winters of old in that respect and has then continued with a significant absence of decent amounts of rain.

A little disappointing last year was the numbers entering in the novice classes, anyone can enter who hasn't previously won a cup in the flower or vegetable classes. They are designed for the person who likes growing things but doesn't feel up to competing with the "experts". I know that winning this cup can generate an enthusiasm that has resulted in winning in RHS Chelsea, but you don't have to. Do try, all you need to do is wander round the week before the show and see what looks reasonable and submit an entry or two. The secret of winning cups is entering as many classes as you can.

Flower arranging, sorry, Floral Art, is one area of the tent that provokes that "Wow!" feeling in the visitors. It's fun. Don't be shy, try an entry or two, or more. We hope that the class titles will inspire your ideas. Arrangements are usually set up on the Friday afternoon and evening, the tent is lit so you could, if wished, work overnight. It has been done! Fellow entrants are usually helpful with advice and spare flowers and foliage. They all know that everything looks better as part of a wonderful display.

I hope that we can get more school entries this year, the school gardening clubs provide a great introduction to the pleasures of growing things and the judges get real joy from the enthusiasm of the children showing us around.

Don't forget the children and young people's classes. I hope that there are classes to inspire entries in all age groups. If anyone has an idea for next year's competitions please let us know.

**Dr Timothy B Webb,
President**

COLLARETTE DAHLIAS have blooms with a single outer ring of generally flat ray florets, which must overlap, with a ring of small florets (The Collar) the centre forming a disc.

- Select the class you wish to enter, and place the **class number** in the appropriate box along with the description as it appears in the schedule.
- Insert the entry fee amount in the far right column. The entry fee is determined by the first prize amount. See table on the back cover. **There is a minimum entry fee of £1.00**
- Total up all entry fees and enclose with your form. Cheques should be payable to **THE DENBIGH SHOW**.
- Send the entry form and fee to the Secretary by no later than Saturday 19th August (Open & Amateur Flower Sections **only** entries extended to Tuesday 22nd August). Regrettably, late entries cannot be accepted.
- The procedure for entries in the **Children's Section (and Children's photography)** is the same except that there are no entry fees. All Children's prize money is paid out on Show day from 4.30pm for these sections. Children may enter in any of the other competitions but entry fees will apply.
- The name inserted on the entry form is how it will appear on class cards, winnings cheques and in the list of cup winners in next year's schedule.

- Your exhibitors' cards are available from the Secretary's office on the day before and on Show-day. You may prepare and stage your exhibit anytime from Friday lunchtime onwards and security will be available through Friday night. Remember, judging starts at 10.30am sharp!
- Prize money is paid out post Show by cheque (except Children's Section)

Multiple Entries

There is a column on the entry form to multiply entries should you wish to enter more than once in the same class. Leave blank if you just have one entry in the class

Entries Deadlines

The deadline for entries is Saturday 19th August. There is a vast amount of work to do planning the layout and even adjusting the size of the marquee (which either saves or costs money) after the close of exhibits which is why it is not possible to accept late entries. There is an exception for the Open & Amateur Flower Sections where we hold back some space in reserve (estimated by the

growing season we have had) where we can accept some late entries until Midday on Tuesday 22nd August, for those blooms that are not quite a certainty a whole week before the Show.

Vegetable Section

Vegetable exhibitors are asked to declare on the entry form their amateur status so that their points may be considered for the amateur trophies.

Cups & Trophies

Winners of cups and trophies at the 2022 show will be contacted directly and should follow the instructions given.

Exhibitors' passes

Once again all exhibitors will be sent passes in the week before the show, to try and cut down on the number of people presenting themselves at the gate purporting to be exhibitors. **You will need your pass to be able to collect your exhibitors cards**

Exhibitors Number

Your exhibitor's number appears on your pass and it will be necessary to have this available at the Secretary's Office when collecting your cards.

Vehicles on field on Show day

If the size or quantity of your entries warrants a car pass you will automatically be sent one. If you have no car pass, then you should park in the main car park. This is to comply with Health & Safety regulations. All cars **MUST** be removed from site by 10.35 am. You are encouraged to bring your entries on Friday if you need to bring your car on the field.

Comments Book

There is a comments book available for you to make suggestions or comments, good or bad. This will be at the Information Desk at the Secretary's office next to the main entrance.

Size of Exhibit

Although maximum permitted sizes are given on many classes, on certain classes we are requesting that you inform us of the approximate size of the exhibit, to assist with marking and to help avoid congestion. The classes concerned are 52 to 56, 91, 164 to 170, 175, 233, 241 & 266.

Children's Classes

There is one set of classes for children aged 7 -16, but they will be judged in two categories, Primary School 7-11 and Secondary School 11 and over. Therefore there will be two first, second and third prizes in each class. The higher age category will have yellow exhibitors cards to differentiate. **Please ensure age and school is on the entry form.**

General closing date is 19th August but will accept entries from this section up to midday Tuesday 22nd August
